Custom Flags include 3" Pole Sleeve or 1" Canvas Header with Grommets.

Use nylon for outdoors, polyester for inside.

Light color print on dark fabric requires an underprint of white; this counts as a second color.

For gold fringe, add 30% to price.

Two-sided flags are the price of 2 flags.

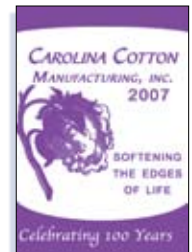

Sew-on appliqué is available. All pricing based on spot colors.

Halftones require a special quotation.

Please specify portrait or landscape hem/grommet placement.

Quantity/Over or Under-runs:
 (1-5 flags/None) (6-11 flags/1 flag) (12 & up/10%)

Photocolor is usually sublimation on polyester.

CUSTOM FLAGS

BANNERS

Vinyl Banners with Digital Photocolor Definition

11 oz. reinforced vinyl, hemmed edges, reinforced corner grommets and additional grommets every 18". Wind slits on request. Banners over 24 sq.ft. have sewn in ropes or webbing on the top and bottom. We can make banners that tie to a roof so that it will hang down the side of a building.

Great for use at those special events: Grand openings, Holidays, Conventions, Annual Festivals, Special Sales.

Prices are for commercial 180 DPI printing.

High definition, fine detail 720 DPI printing is available; add 30%.

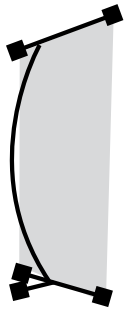

Proof will be e-mailed or faxed.

Printing will begin after the proof is approved.

Reinforced 11 Oz. Vinyl Street Banners

Our street banners are made from vinyl coated fabrics and finished with solid brass grommets and sewn pole sleeves for 1" arms. The fully digital photocolour print gives vibrant color compared to the washed out colors on old-fashioned acrylic duck. The prices are now affordable. Printed on both sides!

Just send us your artwork and we take it from there. We can use any of the following formats: eps, pdf, tif, or psd. Artwork must be at least 180 dpi at printed size. We can receive compressed files via e-mail or CDs via mail. Your banner can be designed for you for an additional \$82¹¹/hour.

No minimum quantity.

46439 Fluorescent Neon Orange Vinyl Flag (Coated Canvas)

This flag is the most popular and durable over-the-road flag in the USA. It has a 9 gauge (1/8") pigtail wire sewn into a top sleeve. It will not rip or change color, and can be reused over and over. It holds up in 120° heat and 40 below. Rain or snow or high UV. And it is really bright. You can see it half a mile behind your truck.

ARTWORK & ARTWORK SPECIFICATIONS

Artwork:

Prices are based on receiving digital art on CD or e-mail.

Digital Artwork:

- Art can be sent on CD or E-mail attachment to Art@AdCapitol.com. Mark e-mails with the name of your salesperson.
- Mac: Illustrator CS4 or earlier (convert text to paths), Photoshop, Corel Draw 8.0 (exported as an eps file)
- IBM: Illustrator CS4 or earlier (convert text to paths), Photoshop, Corel Draw 8.0 (exported as eps file). (MS Word & Power Point will not work!)
- Art off of the Internet can't be used!
- EPS files must include print-out of artwork, screen & printer fonts.
- JPEG, TIFF, PDF, files must be 300 dpi or greater.
- Typesetting of most fonts. The font may need to be provided or purchased.
- A color print must be received with all multi-color art.
- Faxed art can not be used for logos. It will not scan.
- In-house artwork: 30 minutes free, then \$82¹¹/hour.
- Right/left side is defined by right/left hand of wearer.
- Details on cloth will not be defined as well as they appear on paper. Tiny copyright circles (©) may be illegible.

Screen Charges:

- \$43⁴²/color/location
- Reorders Screen ½ price within 12 months

Printing:

One-color screen printing included in most pricing. Printing white on red or burgundy is an extra charge for a double white print. There is a chance that the white will turn pinkish, therefore we print all "white on red fabric" on 100% cotton fabric. We print before we sew the product. We don't pull the product off the shelf. Consecutive numbers (4" or 8") see page 43.

Weight:

Weights described in this catalog are estimates. AdCapitol will not pay freight overages.

Sublimation Printing:

Transfer ink vaporizes into pores of polyester. Available on white items made of polyester materials. Additional charges are included on each page. Artwork must be at 300 dpi or greater. There is a \$43⁴² sublimation setup charge. Sublimation price = dark color transfer.

Transfers:

(No Screens)
 (2"x4" + 38¢) (4"x5" + 64¢) (8"x5" + \$1⁰³)
 (8"x10" + \$1⁴⁰) (16"x10" + \$2⁶²)

Add to 1 color price on white or light colors. Add double transfer price on dark colors. There is a \$43⁴² setup.

Questions?

For any questions about your artwork, please call your salesperson or e-mail Art@AdCapitol.com to the attention of your salesperson.

Pricing:

Prices are subject to fuel and market fluctuations. All prices are per item (each). Changes in catalog may be made without notification, always visit our web site for the latest info!

Fabrics & Color Choices:

Some products specify available colors. See pages 48 and 49 for full selection of fabric colors. Blanks are sold at 5% off the 1000 piece price or as specified. Custom colors and styles are available; call for a quote. Promotional items are not recommended for washing. Test before laundering.

Overruns/Under-Runs:

We reserve the right to ship and invoice plus or minus 10% of the quantity ordered. We don't pull them off a shelf. We manufacture most items custom, for your order.

Speculative, Pre-Production & Random Samples:

- Speculative samples are available for \$38¹⁴, plus setup & UPS.
- An e-mailed or faxed paper proof of your artwork is available for free.
- Random samples are available on select products. You pay only UPS cost.

Production:

Sizes may vary slightly as all items are handcrafted. Fabric & color may vary from lot to lot. Upgrades may be made without notice. Super rush "EVENT" orders will be accommodated when possible, and when customer agrees to pay an additional 10% of the order plus charge the air to your account.

Orders:

Orders must be written, mailed, faxed, or e-mailed. Order acceptance constitutes agreement to AdCapitol's terms. Please check your acknowledgements. Orders which are less than minimum carry a \$43⁴² surcharge. Call for large quantity pricing. Bar coding and EDI are available on request. Items shown may contain options not included in base price.

Custom Orders:

If you don't see the product you need, we can develop it. Custom color selection, sizes, fabric, imprint areas and construction are limited only by your imagination.

Return Policy:

All products are guaranteed. No returns on custom orders. Defective products will be repaired or replaced.

Terms:

50% payment due with order placement. Balance due when order ships. American Express, MC, or Visa credit cards accepted. No COD. Interest charged on late payments.

Packing & Delivery:

All products are flat folded and bulk packed. UPS or common carrier unless specified. FOB our plant and manufactured in NC, SC or OK. Drop shipments and special packaging are available. The approximate weight of each item is shown in the product descriptions. Actual weight may vary slightly. Please use this as an estimate only. Polybags available. We can do fulfillment shipping.

Cotton pricing is fluctuating daily, and may impact your price:

Please call for a proper quote before ordering. We are sorry for this inconvenience.

Please call your rep or refer to our website for the most current pricing!

ADDITIONAL INFORMATION

Why buy from Vinita Flag & Apron?

HONESTY AND INTEGRITY...DOING THE RIGHT THING.

Eleven Good Reasons You Can Trust Vinita

1. Our prices will always be very competitive. You won't have to shop the world to get a better price.
2. We specialize in doing custom orders. Whether we manufacture the products in our own domestic factories, or bring it in from overseas, we suggest new ideas, vivid designs and creative artwork, to promote your products.
3. You will speak to your experienced sales representative, who knows current specials inside and out, not whoever picks up the phone.
4. You will receive random samples and domestic quotes for your selection within 24 hours, or worldwide quotes within 48 hours. Check our website for specials
5. You will receive free proofs on artwork, showing position, size and color to prevent errors.
6. We even dye most of our own cloth to provide you with the lowest prices in the market.
7. Your products are quality monitored from start to finish. Come visit our 250,000 square foot factory where you will see hundreds of dedicated sewers and printers.
8. Your products will have clean finished edges for a better appearance and double stitched stress points so there are no ripped seams.
9. While we try to use American labor and American products, we realize the economic situation does not always permit this. We have Chinese, Indian, Pakistan, Filipino, and Mexican partners.
10. Since 1905, we have cut, sewn, printed, embroidered and transferred on 90 different colors of stock fabric, and 22 different fabrics, from heavy cotton duck to nylon taffeta to polyester mesh.
11. Being in the schmata business for 105 years gives us the background and dependability to deliver a custom promotional product that will exceed your expectations.

P.S. Last but not least

We give you peace of mind. You won't have to worry about your order when you place it with us. When we promise a delivery, you will get that delivery. Unless there is a major natural disaster, you'll get your goods on time. We guarantee it.
